ABOUT

Michael Guinn has more than 28 years of stage, film, radio and public speaking experience. He is not just an artist; he is the curator of cool, a champion of collaboration, and, as many proclaim, the hardest working grassroots emcee on the planet.

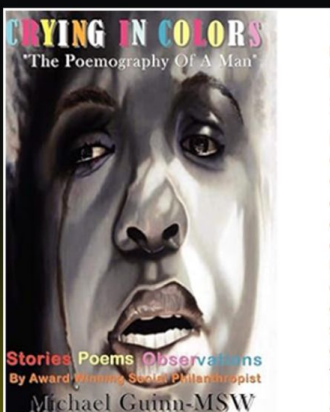

He is passionate about fusing entertainment with social awareness, creating heartfelt and highly engaging experiences for multicultural audiences. Whether through hosting events, performing, or engaging in community service, Michael is always eager to contribute and inspire.

Michael has also been a featured storyteller with Texas's leading contributor to cultural awareness via news and stories, the Teja sand is currently working with the world renowned TAASA's Men's Story Project.

(Texas Association Against Sexual Assault (TAASA) taasa.org | taasaconference.org |

Michael would be honored to work with your organization and is super easy to work with. He is a fiery guest and after years of appearances on numerous national and international platforms, he is the perfect

Mike Guinn Ent transcends the role of a mere events promoter; it serves as a worldwide platform committed to elevating diverse voices, championing emerging artists, and ensuring their talents resonate with wider, more appreciative audiences.

MASTER OF CEREMONY

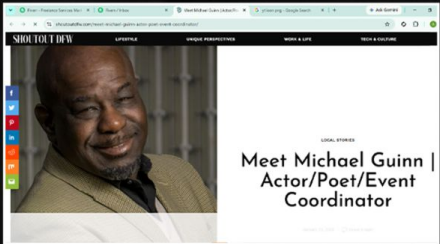

Poet Emcee: Michael Guinn

Michael Guinn is an internationally renowned spoken-word artist, author, actor, and activist whose professional journey includes work as a consultant, host, and speaker for numerous organizations nationwide. For the past 20 years he has coordinated weekly, monthly, and annual performance platforms for major conferences like Mega Fest, the NAACP Image Awards, and the Toronto and Austin International Poetry Festivals, just to name a few. Mike has a legendary reputation for contributing his boundless energy and unique insight to movie promotions, conferences, youth symposiums, and countless other social awareness events. He holds a Bachelor's degree from Stephen F. Austin and a Master's degree from UT-Arlington (both in social work) and fuses creative writing and social awareness to create a highly engaging platform that uplifts and inspires with a purpose. He has appeared several times on Good Morning Texas, KTYX, FOX News, CBS19 and been featured in several magazines, radio shows and documentaries globally.
